

**THEATRE TO PROVOKE
AND ENTERTAIN**

DO YOU WANT TO BE INVOLVED IN A PROFESSIONAL THEATRE PRODUCTION?

Passion for the Planet (July/August 2021)

VOLUNTEERS NEEDED ASAP

No experience necessary.

(All activities and requirements, organised within Covid19 legal guidelines in Covid secure environments.)

How would **you** like to meet new people, make new friends, and make new professional contacts? How about learning some new skills? Or developing and growing existing skills? Maybe you'd like to be part of a friendly, supportive, experienced and highly skilled theatre-production team – putting together a large-scale professional community event?

Join us and be involved in an exciting new professional site-specific theatre production, featuring a professional cast and a collection of multi-media art installations, sculptures, puppets, masks, costumes and exhibitions – all made by the local community.

In the last week of July 2021 and 1st week of August 2021, Damn Cheek and Gateshead Deanery will be presenting their brand new (covid proof) summer production entitled *Passion for the Planet*, in and around the grounds of Christ Church, Felling!

This ambitious production is brought to Gateshead by Damn Cheek Productions, who have for the last few years been creating large-scale community-centred “unmissable theatre,” and throughout Covid19 have continued to produce 15 new shows. *Passion for the Planet* will be our first major live post-pandemic show, and

we are now inviting you to come be at the heart of this project!

In order to create this wonderful community show, we are looking for volunteers to work alongside the professional team in all areas of production – including Box Office, Front of House, Marketing/Publicity, Set/Costume Design, Production, Stage Management, and creating artistic content for the production itself! All activities and requirements will be organised within Covid19 legal guidelines and in Covid secure environments.

If you would like to be a part of this wonderful community project, please contact Artistic Director Darren Cheek asap for a quick informal chat and/or to find out more:
